APPLE ORCHARD RULES

- No climbing the trees, fences, trellis, or equipment
- No using ladders, or apple picking poles to reach apples

This is a young orchard so the trees are small and easy to pick.

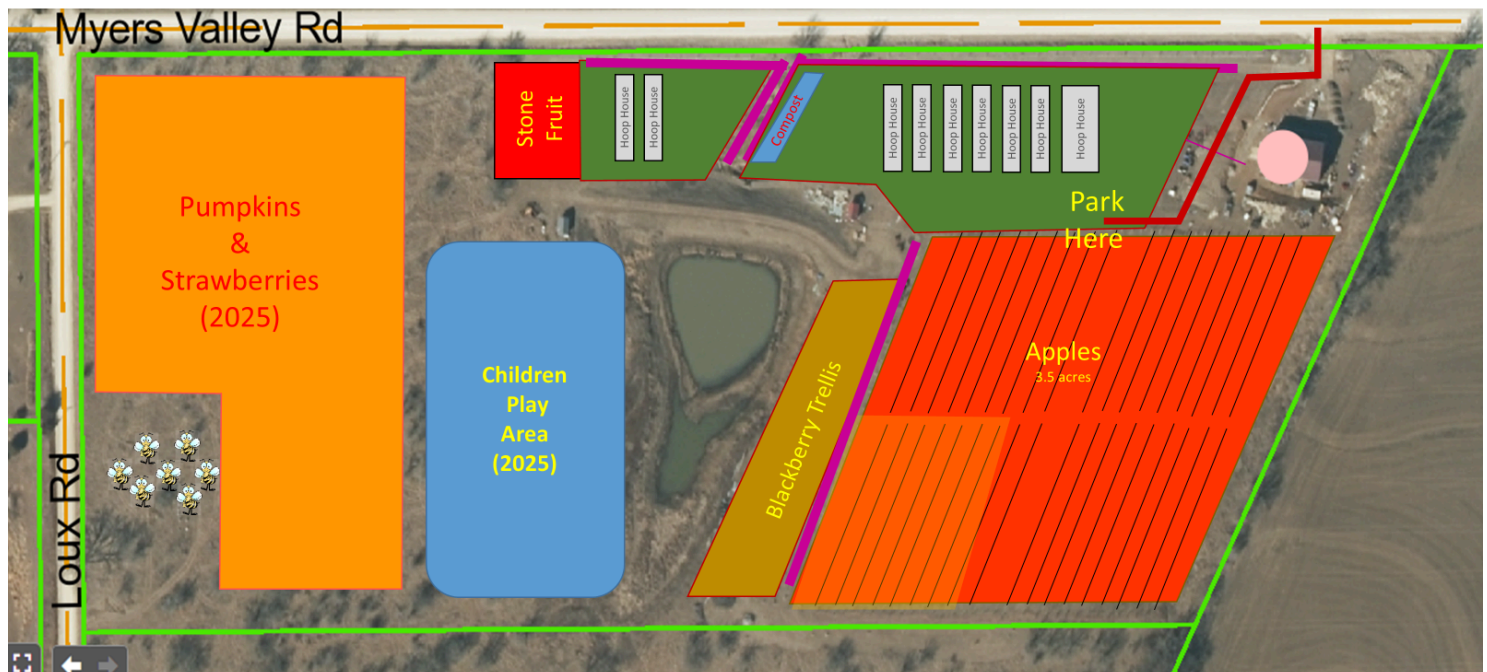

- No going near the pond or dam
- The Bluestem Orchard has a “You pick, you buy policy” bags are provided by the apple orchard. Be mindful of how much your kids are picking. These are not a grocery store apples so there will be blemishes on apples which is normal.
- Please do not pick more than you can pay for
- Do not consume apples on the property. Apples need to be washed before consumption.
- Do not drop unwanted apples on the ground

The Bluestem Orchard does not want apple trees popping up wherever they like. To keep this from happening, please do not discard apples on the ground
